

Cambridge AS / A Levels Grades 11 & 12 Subject Choices		AS Level (5 subjects taken in 11th grade)	A Level (3-4 subjects taken in 12th grade)
	STEM 1	English Lang + Biology, Physics, Chemistry + Psychology/Computer Science	English Lang + Any 3-4 subjects continued from AS Level
	STEM 2	English Lang + Further Mathematics/Mathematics, Physics, Chemistry + Economics/Psychology/Computer Science	English Lang + Any 3-4 subjects continued from AS Level
	STEM 3	English Lang + Further Mathematics/Mathematics, Physics, Chemistry, Biology	English Lang + Any 3-4 subjects continued from AS Level
	NON - STEM	English Lang + Further Mathematics/Mathematics, Economics, Business, Psychology/ Computer Science	English Lang + Any 3-4 subjects continued from AS Level

**A minimum of 5 students is required in order to offer an elective*

Class of 2023 = 26 students
 Class of 2024 = 26 students
 Class of 2025 (estimate) = 27

Important Points to note (AS and A Level)

- Students opting for JEE will need to take 4 A Levels
- Student can drop 1 science subject from STEM streams in select cases after consulting with the counselor (also see last point below)

Given below is the list of overlapping and non-overlapping subjects. Subjects that overlap cannot be taken together. For e.g. students cannot take Psychology AND Computer Science

- ☐ Mathematics
- ☐ English
- ☐ Physics / Business
- ☐ Chemistry
- ☐ Biology / Economics
- ☐ Psychology / Computer Science

The following additional points must be kept in mind:

- ☐ **Math must be taken if taking Economics**
- ☐ **Math must be taken if taking Physics**
- ☐ **Chemistry must be taken if taking Biology**
